

JOÃO PAULO MEDEIROS

Junior Cybersecurity Analyst

+34 620 981 902 @ joaopnobre@gmail.com João Paulo Nobre | LinkedIn Github
Barcelona, Spain

RESUME

Cybersecurity professional transitioning into roles focused on SOC Analyst and Blue Team operations, armed with practical training in networking, Linux, incident management, IAM, and vulnerability analysis. Experienced in high-pressure operational settings involving access control, stringent policy enforcement, and the secure management of sensitive data. Known for meticulous attention to detail, analytical mindset, and disciplined approach in identifying and addressing security events.

PROJECTS

Final Project at 4 Geeks Academy – Debian Server Audit and Hardening

06/2026 Barcelona, Spain
https://github.com/Joaopnobre/Proyecto-Final-de-Ciberseguridad
Conducted reconnaissance and vulnerability assessments using tools such as Nmap and Gobuster. Successfully identified and remediated security vulnerabilities in FTP, SSH, and WordPress services, implementing basic hardening measures and meticulously documenting findings in accordance with ISO 27001 standards.
